

EMISSION CLASSIFICATION OF BUILDING MATERIALS

Oy Sika Finland Ab

The classification working group set up by the Building Information Foundation RTS sr has approved the following product:

Casco Floor Expert HL 10
Casco Floor Expert HL 50
Schönox HS 10
Schönox HS 50

as belonging to emission class M1 for building materials.

The classification is valid until January 23, 2022.

Oy Sika Finland Ab has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2018 and the Classification of Building Materials: General Instructions.
