

LEED PRODUCT INFORMATION

2015-03-13

Product

Schönox SPR 3654

Product type

Waterproofing Sealers

Method

Calculation of VOC content based from composition.

Summary

Sika Sweden certifies that the VOC (volatile organic compounds content) of Schönox SPR is 5 g/l less water and therefore falls below the given limit of 250 g/l, and contribute toward LEED IEQ credit 4.2: Low Emitting Materials: Paints And Coatings Requirements.
